

KMSM 2019 International Symposium

Best Presentation Award

Presented to

Sunyoung Im, Ingyun Chung, Maenghyo Cho

Seoul National University

Entitled

**“Stochastic neural network constitutive
modeling based on molecular dynamics
simulation”**

*For the creative and sound research shown at the 2019 KMSM
International Symposium on Multiscale Mechanics*

July 5, 2019

Maenghyo Cho

Prof. Maenghyo Cho

President

Korea Multiscale Mechanics Society
